Pennoweth News

There has been some very lovely music—and singing (!) - coming from our classrooms this week as children are fully involved in their music projects. Please check the website for information about what the children are learning.

We have the photographer in school for class photographs on Monday.

We have Maths Whizz parent information events next week. Please see the letter that came out on Marvellous Me for more information. There are 2 meetings, both online. You are very welcome to come into school on Wednesday morning and sit in the hall to watch the morning meeting if you would like :)

Thank you very much to everyone who has responded to the parent questionnaire so far; we very much appreciate your feedback. The questionnaire will remain open until the end of this term if you haven't yet responded. You can find the questionnaire via this link: https://docs.google.com/forms/d/e/1FAIpQLSdWOU3miQxMDPLh5uxw-einxvaqRGGdtoPhooPTcvxa6rjnMw/viewform?usp=sf_link Please do add your name to the questionnaire if you would like us to respond to you individually (or contact us via one of the team email addresses).

Congratulations to Nathan (Porthleven) for achieving his reading target this week! Well done Nathan, keep up the great work!

A big thank you to the PTA who are busily arranging an Easter Egg hunt for Friday! There is also a tuck shop at the end of the day next Friday (please see flyer over the page).

I know that this is a recurring entry on the newsletter but please can we ask again that everyone takes extra care at drop off and pick up times. Please be mindful of where you are parking cars to ensure that residents aren't blocked in and take care when moving your vehicle to be aware of pedestrians. Cars should not be parked on the grass verges by the school entrance as this blocks sight lines. Many parents have shared their concerns with us, and we absolutely share the concerns, but we need your help as we don't have any powers to move cars or direct traffic on the public roadway. We will speak with our PCSO and the council again and request some support but please can we ask everyone to be careful and considerate.

Finally, next week is our last week of the Spring term! We break up for the Easter break on Friday 31st March at the usual time. Just a reminder that Monday 17th April is a whole school inset day so children are due back into school on Tuesday 18th April.

Gardening Club

Monday 20th March—Week 8

Pesky pigeons, sneaky sparrows, crafty crows...you've guessed it, we've had some cheeky birds come into the poly-tunnel and pinch some of our broad beans and spinach and pecked the top off the sunflowers that were just sprouting!

So first job today was to tidy up and we've hung some old cds above to try to frighten them off. Hope that works

Next we filled up the potato bags as they are really doing well and are nearly at the top of the bags ,then we counted 31 tea bags to go in the compost bin. We replanted some of the radish seeds that have grown so that they have bigger pots to grow in as we still need some more soil for the ground. We used some old pots and containers to cover the other plants to hopefully protect them and then we went indoors for a change to prepare some cress seeds to take home. We had to scrunch up a piece of tissue in the bottom of the pot, add water but not too much, then sprinkle on the seeds.

Thinking about our polytunnel Lilly G said " we need a scarecrow to scare away the birds"

What a great idea.

I wonder if anyone would like an Easter holiday challenge?

I would love to see your creation if you can and then they can go into the tunnel but don't make them too big!
