Pennoweth News

What a terrific end to our Music based projects this week! We certainly have some talented musicians at Pennoweth. Information leaflets for our new projects after the Easter holidays are now on the website.

Congratulations to the following children who have all reached their reading target! Well done superstars, keep up the great work :)

Godrevy: Alex, Ben, Brandon, Jenny, Iesha, Lexi, Israel, Henry, Samuel, Jack, Isabelle, Ellie, Amber, Walter, Molly, Tabby, Emily, Ava, Reade, Carmen and Amelia

Porthleven: Harry and Alfie L

Newlyn: Nicola and Harrison

Marazion: Mia, Vinnie, Natalya, Amber-Louise, Amelia, Georgie and Noah

Please note that we have had communication from PC Langley who is a Road Casualty Reduction officer asking that we alert parents to the increased problems around parking on the road outside school and asking everyone to please be really vigilant. As you may have seen, traffic wardens are patrolling and the police will also be visiting when they can. Please park responsibly and be aware of not blocking resident driveways. Thank you.

We are delighted to share with you the outcome of our recent MathsWhizz workshop for parents. We had a great turnout and we appreciate your interest and enthusiasm in supporting your child's maths learning.

The workshop covered the following topics: -

What is MathsWhizz and how does it work? - How to log in to your child's account and access their learning journey - How to view your child's progress and achievements on the parent dashboard - How to encourage and motivate your child to use MathsWhizz regularly and effectively - How to access additional resources and support from Whizz Education

If you missed the workshop or would like to watch it again, you can find the recording here:

https://whizzeducation-my.sharepoint.com/personal/matt_jones_whizzeducation_com/Documents/Recordings/Pennoweth%20Primary%20MathsWhizz%20Parent%20Session%201-20230329_090005-Meeting%20Recording.mp4?web=1

You can also view the instructions attached (later in the newsletter) on how to access the parent dashboard. The parent dashboard is a useful tool that allows you to monitor your child's progress and maths understanding.

Finally a huge thank you to the PTA for organising our Easter Egg Hunt this afternoon! We hope that you enjoy the eggs! Wishing everyone a very happy Easter holiday! We look forward to seeing you all on Tuesday 18th April :)

Our phase email addresses are:

Character Qualities

This year we will be changing the 4 key characteristics we are on the look out for every term. For Spring, we are looking for children who are demonstrating the characteristics of being:

Creative
Dependable
Inspiring
Resourceful

Quality	Children Spotted in R, Y1 and Y2	Children Spotted in Y3, Y4, Y5 and Y6
Creative 	Porthcurno: Zack Gwithian: Ethan Marazion: Georgie	Newlyn: Jakob Mevagissey: Dexter Porthleven: Caden Lizard: Oliver Pendeen: Keira Godrevy: Sam
Dependable 	Porthcurno: Willow Gwithian: Lyra-Rose Marazion: Lily R	Newlyn: Nicola Mevagissey: Freddie Porthleven: Jacob Lizard: Bogdana Pendeen: Taylor Godrevy: Lewis
Inspiring 	Porthcurno: Esme T Gwithian: Olivia Marazion: Amelia	Newlyn: Kairi Mevagissey: Gabriele Porthleven: Maddison Lizard: Tilly Pendeen: Summer Godrevy: Jenny
Resourceful 	Porthcurno: Miley Gwithian: Arianna Marazion: Lilly G	Newlyn: Harris Mevagissey: Eleanor Porthleven: Alfe L Lizard: Theo Pendeen: Travis Godrevy: Brandon
	Restormel: Samuel Tintagel: George Porthcurno: Logan Gwithian: Isabelle Marazion: Lily D	Newlyn: Mason Mevagissey: Aronas Porthleven: Nathan Lizard: Austeja Pendeen: Mikolaj Godrevy: Amelia

We are safe Champions: KS1: Amber, LKS2: Ardhen, UKS2: Alex

We feel loved Champions: KS1: Mason B, LKS2: Lochlan, UKS2: Amelia G

We take responsibility champions: KS1: Robert, LKS2: Jacob, UKS2: Lena

We are always learning champions: Restormel: Maya, Tintagel: Taylor, KS1: Mason TA, LKS2: Joseph, UKS2: Izzy

We are ready Champions: KS1 Jax, LKS2: Noah R, UKS2: Shakira

We also have our Stars of the Week, who have been Classroom superstars and DNA Champions for each phase.

How can parents/carers sign up for a Parent Dashboard?

Created by: Hannah Chisholm

Modified on: Mon, 27 Apr, 2020 at 4:50 AM

If your child has an account through their school you can sign up to a Parent Dashboard which gives you instant access to your child's learning.

To do this

1. Log in to your child's account at whizz.com

The screenshot shows the Maths-Whizz login interface. At the top is the Maths-Whizz logo with the tagline 'LIVE! Education'. Below the logo are two input fields: 'Username*' and 'Password*'. The password field has an eye icon to toggle visibility. A green 'LOGIN' button is positioned below the fields. At the bottom left, there is a link for 'FORGOTTEN PASSWORD' with a small red icon to its right.

2. Go to the menu (three lines in the top right)

3. Click the parents button to register

4. Fill in the registration form

Parent Registration ✕

With a **WHIZZ PARENT ACCOUNT**, you can help to view child's reports to view their progress against the curriculum, receive relevant encouraging messages and records, and more. To link to your child's reports, create a Parent Account.

Username*

Email*

Phone*

First (or all) child's forenames and include a number and surname below

Child's Name

Default email address (if any)*

We'd love to support you in helping your child learn maths by sharing educational tips, advice, articles, and special offers through our email newsletters.

Yes, I would like to opt-in to newsletters

No, I would not like to opt-in to newsletters

Please click [here](#) to agree to our Terms of Use.

Already have a Parent Account? [Log in Please](#)

NB: Once registered you log in at whizz.com not through your child's account. Your username will be the email address you used to register for a Parent Dashboard.

H Hannah is the author of this solution article.

Supporting your child

Our school's maths provision now includes Maths-Whizz, the award-winning virtual online tutor proven to build confidence and accelerate progress in maths. It supports your child's learning with engaging, interactive maths lessons tailored to their unique learning needs. Your child will be able to access Maths-Whizz both at home and at school.

How does Maths-Whizz work?

Interactive Lessons

Engaging lessons that perfectly match both your child's ability and unique pace of learning

Short Assessments

Assessments at the end of each topic, to ensure new topics are presented at the right time, every time

Topic Challenge

Fills knowledge gaps and builds confidence, by replaying exercises and refreshing knowledge.

What you need to know

- After an initial assessment in school, the Tutor calculates a unique learning profile for your child and uses this to build their personalised lesson sequence
- Each lesson uses clear visual explanations, interactive exercises and a test to reinforce understanding of each topic
- Maths-Whizz is intended to be used independently, but you may want to monitor their usage initially and schedule regular times for Maths-Whizz at home
- Your child's teacher will advise on how many minutes of usage they recommend each week - we usually suggest sessions of up to 20 minutes at a time at home, with the aim of finishing at least 3 lessons to get their full gem each week
- Maths-Whizz works on any device where you have an internet connection so you can use it on tablet and mobile as well as desktop

How to monitor your child's progress

- Monitor your child's progress and try to encourage them to fill their gem by finishing 3 or more lessons

- We know from research that students who use Maths-Whizz for at least 60 minutes a week should make accelerated progress in maths
- For maths activities, tips, our blog and more, follow us on [Facebook](#) or [Twitter](#) and register to receive our newsletter via whizz.com

Contact us

Whizz Assist, our real-time support channel, can be accessed from the bottom left corner of the screen when logged into a Maths-Whizz account. Alternatively, email support@whizz.com or call 0203 328 6564

Gardening Club

Monday 27th March—Week 9

And that's a wrap! 9 weeks of fun, mess and gardening.

Today we were all very keen to go and see what the Pesky birds had done and whether our cds had worked although the damage had already been done. We sorted through the pots and managed to find one broad bean, two sunflowers, three spinach and about 10 radish. The gladioli bulbs are starting to grow, as well as the tulip and daffodil bulbs. The potatoes have reached the top of the bags and so now all we can do is water and wait.

Our tea bag boy, Henry, was on the ball as always and collected them from the staff room. We couldn't believe it when we counted them and found 42 tea bags. Wow, that's a lot of tea this week.

"My mum is 42" said a voice. I'll let you decide if it was your child.

Mrs.Mallaber had bought some new plants for us to plant and so we found some pots and planted viola, hyacinth, grape hyacinth and pansies. There was already a few flowers to see.

The Litter picking crew set off and tidied up the playground and then it was time to tidy up and wash our hands. We've worked together, we've worked on our own. We've had success , we've had failures. We've learnt and we've laughed but most importantly we've had fun!

Attendance

We aim for all our children to have at least 96% attendance throughout the year.

Overall attendance for last week was 96.3% Well done everyone!

See below for the attendance for each class last week.

Gwithian	93.3%
Mevagissey	93.6%
Pendennis	93.9%
Tintagel	94.4%
Marazion	95.7%
Lizard	95.7%
Pendeen	96.0%
Porthcurno	97.1%
Porthleven	97.7%
Restormel	98.3%
Newlyn	98.7%
Godrevy	100%

Congratulations Godrevy!
100% attendance last week!
