# Pennoweth News

It's been another jam-packed week here at Pennoweth! From rugby and martial arts to trips and after-school clubs, the children have been very busy!

KS1 have been sharing their baby photos and favourite memories while Reception children have been exploring the outdoors by creating a wormery and watching the worms create tunnels. Our youngest children in nursery have been exploring maps and learning about the world around us!

LKS2 have been looking at the Bayeux Tapestry and learning how to cross-stitch. They also had their first ukulele session, which was a great success. On Thursday, Year 3/4 children were introduced to Krav Maga and learned some useful self-defence strategies.

This week, our Year 5/6 children had their first rugby session with the Cornish Pirates. They had a great time learning new skills and techniques.

We are pleased to have started our after-school clubs again, with many children taking part in different activities from athletics to coding! Our STEM club had a great morning visiting Cornwall Spaceport. It was a fantastic opportunity for them to explore and learn.

Well done to Ruby (Pendeen) for reaching her reading target. Superstar!

Congratulations to our Y5/6 rugby team for securing second place in the Crofty rugby tournament at Treloweth this week. Well done!

Our playground has been improved with the addition of tyres and crates this week. It is great to see how creative the children are using these loose parts. They have built obstacle courses, had tyre-rolling races, played hide and seek, and used ropes to pull their friends around the playground on the tyres. Families of children from Reception to Year 6 should have received an invitation to an OPAL Stay and Play session via Marvellous Me. We would appreciate it if you could complete the Google form on the letter if you are able to attend. We are looking forward to sharing our playtime improvements with you.

Congratulations to Miss Dunstan, now Mrs Augarde, on her wedding during the Easter break. Congratulations also to Mrs Carr for completing the London Marathon last weekend.

Finally, please don't forget that there is a bank holiday on Monday, May 1st. We hope you have a nice long weekend.

## Diary of a ks1 gardening club...part 2

### Monday 24th April

Today was our 1st day together with some new faces and some faces returning and after we all changed into suitable work clothes and wellies, discussed the rules to keep us safe and gathered the tools we needed, we headed off towards the polytunnel.

Lilly G took charge of the tea bags and with Jack they counted 18 bags before putting them in the composter.

Then we set to work.

Mrs.Mallaber and Mr.Mallaber had collected lots of soil during the holiday which needed a little sorting through and so using a sieve, spades and even our hands we sifted and sorted through pulling out any big stones. Excitement grew when we found a woodlouse and Georgie decided to call it Woody!

At the same time a few of us went outside and weeded a small patch and then filled up the area with more soil. We were surprised when Harper found a plastic dinosaur with no head ,hiding in the weeds! How did he get there and what had happened to his head?

When the area was ready we took turns to plant the gladioli's that we had previously planted as bulbs as they have grown well.

We also took turns to use our litter pickers around the playground as we discussed how a gardener keeps the place tidy.

And so, after some hard work, it has already started to look better. We came inside to wash our hands....my goodness they were dirty, even with our gloves on. What a good start!
