Pennoweth News

The sun has been shining on us at Pennoweth and we have enjoyed playing on the field this week. Year 2 have wowed us with their maturity and commitment as they have completed their KS1 SATs, Nursery children have been trying different foods from around the world and Y4 were the first campers of the year. Find out more about their fun residential to Pill Farm later in the newsletter.

Thank you to the Year 1 and 2 parents for joining us this afternoon for our second OPAL play session. We hope you enjoyed finding out more about the range of activities we now have on offer at play-times.

This week, I have been incredibly impressed with how confidently and enthusiastically Pennoweth children talk about their learning and are able to make links across subjects and with their experiences beyond the classroom. Walking around the school, I am always met with smiling faces and kind polite children who it is a pleasure to talk too.

We love to hear about activities and achievements outside of school especially when children are inspired by their school work to do extra learning at home. Well done to this Year 2 superstar who created her own story about a unicorn. She turned it into a book with beautiful illustrations and it was shared with her class.

Well done to Daniel (Pendeen) and Freddie (Mevagissey) for achieving their Summer 1 reading targets. Awesome work!

Finally, a polite reminder to not block in other people when picking up and dropping off children.

Diary of a ks1 gardening club...part 2 Monday 15th may

Its been so long!

After so many bank holiday's it seems forever since we had gardening club , so it was great to be back together although the children have been great and taken responsibility, one of our DNA strands, and remembered to water and tend to the plants each playtime. They really have fostered a love of gardening and show care and concern for the plants...as well as each other.

Lilly G took charge of the tea bags and with Jack they counted 73 bags before putting them in the compost-er. They also added some egg shells that Mrs.Mallaber brought in as it does need variety.

Mr and Mrs .Mallaber had been a little busy over a Bank Holiday weekend and had brought in some old tyres to use for planters and some more soil.

So some of us set to work planting broad bean plants in one of the tyres and tomatoes plants in another tyre. Thanks to Taylors tyres in Illogan Highway for the tyres.

The man who gave us the soil also gave us a plant. Mrs.Mallaber had to do her homework as she had never heard of it although Mrs.Broadhurst had. I think we may need to get Mrs.B to get her wellies on and join us!

Anyway, it was called an Echium and apparently grows quite big with blue flowers so after we chose a spot for it, we started to weed the area. That was hard work but we managed it and Imogen put the plant in the ground.

As time was running out , we quickly weeded another spot before adding some sunflower plants.

Today has been so busy, but we got so much done...although we didn't get time to litter pick. There is always next week!

Year 4 Pill Farm Camp

Our year 4 campers have had a fantastic time on camp with amazing weather and exciting adventures. There was lots of fun on the water in the Canadian canoes - the children sang as they raced each other up the river, then enjoyed some ball games in their boats. Back at camp, they had a go at archery, ball games and art activities, before settling down for the night in their tents. Hunter said, "It has inspired me to explore more!" Dexter thought that the activities were fun, and the tents were amazing.

We were really impressed with their enthusiasm and energy levels, and hope that their feet aren't too sore after all of the miles that they walked, admiring the beautiful view of Trelissick. The children behaved brilliantly and were a joy to spend time with.
