Pennoweth News

As our first full week back at Pennoweth comes to a close, it has certainly been a memorable one for all of our pupils.

As you all know, Mrs Kerry organised a Music celebration morning on Tuesday where the children were invited to experience a number of activities related to our current musical genre focus of classical music. Pupils took part in an assembly where members of the Cornish Orchestra delivered a woodwind and piano instrument masterclass. The musicians demonstrated their musical talents across a number of instruments that ranged from a bassoon to a Clarinet. The children were dazzled with the range of songs and they were even treated to the popular 'Let it go' and Harry Potter theme songs which received rapturous applause. Other activities included musical picture book exploration in Reception and key stage one, and rhythm and Clapping games in other classrooms to further explore our musical curriculum.

This week also saw the return of our swimming sessions, with the first half of Year Four beginning their sessions. The staff were wowed once again with their behaviour and attitude towards their swimming session, and we look forward to another successful swimming block.

Finally, within our Year three and four Classes, we had a visit from a dentist

Professional that linked with their topic, Burps, bottoms and bile. The children took time to ask questions and learn about tooth care, hygiene and the different types of teeth that we have within our mouths.

Well done Pennoweth for a great start to this term!

Our DNA

Everything we do in school is shaped by our Pennoweth DNA statements. Each week each phase team identifies one child who has done a fantastic job of demonstrating each strand of the DNA. Well done to all the children below.

We are safe.

We feel loved.

We take responsibility.

We are always learning.

We are ready.

Congratulations to our stars of the week from each class! Well done everyone!

Attendance Letter

Next week, you will receive a letter detailing the new Trust guidance around attendance. We ask that you take time to read and absorb the information provided in the letter so that you are familiar with some new changes that have been implemented for this academic year.

Gate opening and closures

A polite reminder that the Keystage one (right side of building) and the Keystage two gates (left side of building) will open from 8.30am for parents to begin to queue outside classrooms. Doors to classrooms will be open from 8.40am. The Keystage two gate will then close at 8.45am. The Keystage one gate will also close but this gate will be allowing parents to leave the site via this exit as we begin our checks of the site prior to the start of the learning day. Once the gates are closed, please can you sign your children in at the office located at the top of the stairs.
